April's character word of the Month is PERSEVERANCE!

Perseverance is not giving up when the going gets tough!

You will experience many situations in life where you are going to be really awesome at something. Still, there will be times where you will also find yourself feeling challenged. The difference lies in your reaction. Will you give up and walk away? Or will you stick with it and become a victor in the end; accomplishing something you didn't know you were capable of? Work hard and don't give up on something that seems too difficult. You can do it! You can persevere!

Spread the news with your friends, family, neighbors and coworkers to join us on April 26th from 9am – 11am for our TK/Kindergarten Round Up! Fliers are available on our Social Media pages, in the office and on our Website.

Mr. Art & the school are very thankful for all the bird feeders and bird food donations! Everyone is enjoying watching all the birds. The birds are eating up the bird seed very quickly, so more bird food is always welcome. Mr. Art is also interested in some basic bird houses, hoping we will invite some birds to take up residence at our school. These donations count towards your volunteer hours.
